APPLICATIONS

- ✓ Landscaped gardens & yards
- ✓ Education & child care settings
- ✓ Pet Friendly Spaces
- ✓ Outdoor Living & entertaining
- ✓ Commercial & civic landscapes
- ✓ Rooftop gardens and terraces
- ✓ Retirement & aged-care facilities

Our range of premium **SYNTHETIC GRASS** provides the ideal solution for **landscaping projects**. Designed with aesthetic appeal in mind, our ultra-realistic turf is **hard-wearing, UV stable and low maintenance**, offering a **high-quality** alternative to natural grass that looks great all year round.

Engineered for reliability, it supports **sustainable design** by **reducing water use, eliminating chemical treatments & lowering maintenance emissions**. Commonly used in **education settings & landscaped environments**, our synthetic grass combines **strength, consistency & visual appeal**. Complementing our rubber & permeable paving systems, it enhances the functionality & finish of any outdoor project.

SPECIFIER'S NOTE: *To specify, include the following in documentation: "Surface system to be supplied and installed as per Manufacturer and Installer Specifications, including certified depth and FHOE (Free Height of Fall), where applicable." This ensures correct installation & compliance.*

Proudly Australian owned and operated, with warehouses in Adelaide & Brisbane, we are the specialists when it comes to synthetic surfaces in Australia.
